

Hilary's Doodle Ranch

Health and Warranty Contract

Hilary's Doodle Ranch (here after Seller) and _____(here after Buyer) on the date _____

in good health, up to date on immunization proper for the age of the puppy and has been given worming medication, when the Buyer takes possession of the puppy. The Buyer has four days (96 hours about 4 days)–excluding Saturday and Sundays) to take the puppy to the veterinarian for an examination. If the puppy is found to be in poor health that could be life threatening, the Buyer has the option of returning the puppy (at Buyer's cost) for a refund or exchange, or keeping the puppy, and the Seller will reimburse all veterinarian cost up to purchase price for related treatment for any pre-existing condition that is life threatening. If the puppy is not taken to a licensed veterinarian for the examination within the four days from receiving the Warranty for two years from date of birth (DOB) against debilitating congenital defects that is and/or life threatening. If a diagnosis of a defect occurs, the Seller will be notified at once and supplied with the health records from a licensed veterinarian. 3) If it is decided that the puppy has a congenital defect or genetic disorder that is found within the two-year Health Guarantee, the Buyer has the choice of either replacement puppy from the next litter or reimbursement. All cumulated treatment reimbursements may not exceed the purchased price. In the case of a replacement puppy all shipping costs are paid by the Buyer. 4) The Health Warranty does not include viral disease, infections, improper bite, removal of puppy teeth, hernias, testicles not descended, hypoglycemia, inverted vulva, prolapse, Guardia, parasites,

(worms) or coccidiosis. Nor does it include any illness due to ingestion of foreign objects, food, chemicals, or physical injury. 5) If the puppy should die from suspected congenital defect within the two-year Health Guaranty, an autopsy must be performed at the (at the Buyer's expense) by a licensed veterinarian and written documents/examination be sent to the Seller. If the autopsy shows the puppy died from a congenital defect, the Seller will provide a replacement of equal value to the Buyer (shipping is at the cost of the Buyer). The Warranty is void in case of an undetermined or inconclusive diagnosis. 6) The Seller cannot guarantee size, temperament, coat, or color of the puppy as an adult. We can only estimate according to the parents.

7) The Buyer agrees to pay the Seller a total of _____ for puppy.

8) Puppy will be microchipped prior to going home with Buyer and microchip number will be given to Buyer. 9) If for any reason the puppy needs to be rehomed, the Buyer will give the Seller every opportunity to place the puppy with another proper home.
